BAD WEATHER CONDITONS : decision made by the Skipper or the Company ONLY

Should unfair weather conditions prevent the TIGGER 2 ROYALE from leaving her mooring at all, you have the option of postponing your charter to an alternative date or continuing with your function as a floating venue at the mooring and a credit of 25% on the charter rate will be refunded into an account of your choice after the charter (still being able to cruise in Cape Town Commercial harbour will not qualify for the refund)

We shall endeavour to do everything possible to adhere to the above rates for the period valid until 31 September 2021, but should we be subject to unforeseen rate increases from our suppliers, the rates shall be reviewed. Any invoices issued for which the 50% confirmation deposit has been paid, shall not be affected by any tariff increases prior to the date of the charter booked.
